

THICK & EASY[®]

BRAND

Newly reformulated to give your patients what they want most: a better experience.

With 9 major allergens removed, high quality protein and improved texture, you can give your patients the normalcy they crave and the nutrition they need. Our newly reformulated foods not only look better on the plate, they're also easier and more enjoyable to consume.

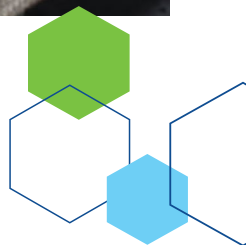

Newly reformulated

- ✓ 9 Major Allergens Removed
- ✓ High Quality Protein
- ✓ Softer Texture

THICK & EASY[®] Pureed Meats Variety Pack

Does not contain any of the Big 9 allergens.

Nourishment When You Need It Most:

Better nutrition for them. More confidence for you.

We understand how much you care about your patients. That's why every improvement we made was crafted to deliver better experiences all around.

- Removal of 9 major allergens equate to fewer menu restrictions for patients with allergies.
- High quality meats offer a significant daily value of protein.
- Softer texture means patients are more likely to enjoy and benefit from the nutrition you provide.
