

MULTI MIX™ Calorie & Protein Supplement

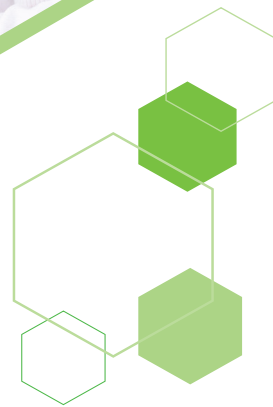

Hormel Health Labs is Proud to offer **MULTI MIX™ Calorie & Protein Supplement**, a soluble mix that adds protein and calories to any food or liquid. If you are looking to start a meal fortification program in your facility, **MULTI MIX™ Calorie & Protein Supplement** gives you the flexibility of fortifying a variety of foods to make your nutrition program a success.

FEATURES:

- Milk protein concentrate
- Combines instantly with all mixable foods including pureed foods, cereals, soups, gravies, hot or cold beverages, mashed potatoes, and baking mixes – without altering the flavor.
- Provides calories and protein to help protect tissue building protein from being used for energy.
- Eases taste fatigue as you can offer a variety of items instead of serving traditional supplements.
- Add the amount of MULTI MIX™ Calorie & Protein Supplement you want to meet a variety of calorie and protein levels.

BENEFITS:

- Allows for resident specific dietary interventions
- Easy to use
- Dissolves easily
- Dignified approach to involuntary weight loss
