

THICK & EASY® CLEAR INSTANT FOOD AND BEVERAGE THICKENER

A clear solution for dysphagia patients thickening both hot and cold beverages. It remains at the appropriate consistency over time.

PACKAGING FORMATS:

bulk, cans and pre-measured IDDSI Level 2 & 3 sticks

“ Customer TESTIMONIAL ”

Cost savings supported our decision to convert to THICK & EASY® CLEAR Food and Beverage thickener. It was an easy transition and this product performs the same way the other product we used to use.
